

Easter Bonnet making and Parade

Dear Parents,

I am writing to provide further details around the advertised Easter events.

Parents are invited in from 2:30pm on Thursday 3rd April to make Easter hats with their child. Please don't worry if you can't make it as the children will still get to make their hats. Parents are welcome to bring in any additional hats/crafts to the event to further add to splendour of your child's bonnet!

On Friday 4th April at 2:45pm parents will be invited into the playground (weather permitting) to watch the Easter bonnet parade and watch the children perform Easter songs.

We look forward to seeing you there

Mrs Vonk
