

Homework Project Ideas

Here are some ideas of activities or projects you might like to try at home with your child, linked to our topic this half term.

- Imagine you are in a traditional tale. Create a picture of what you can see.
- Build a traditional tales setting from different materials and resources.
- Go on a habitats hunt! When you're out and about record all the different habitats you see. Either by taking photos, writing them in a table or drawing what you see.

Key information for parents:

- Maths/English Homework - is given out on alternate Fridays and children have one week to complete the task and return the pack.
- P.E day is a Wednesday.
- Reading records will be collected in on Friday, please ensure it is sent into school every day.

Hope you all have a wonderful, restful and healthy break, happy new year and best wishes for 2025!

The Year 2 Team.

Our new topic is:

Mixed Up Tales

HAPPY NEW YEAR !

English

Wanted posters: After reading the 'Three Little Wolves and the Big Bad Pig, The children will be on the hunt for him! Creating wanted posters to find him.

Story writing: Using story structures children will retell the story of *The Three Billy Goats Gruff*. Then they will have the opportunity to put what they have learnt from retelling into creating their very own innovative story. 'The Monster Under The Bridge'.

DT

Children will be making structures and building baby bears chair.

Reading

Shared book: We have almost finished *The Christmasaurus*, which the children have voted to keep reading after Christmas. We share a book with the class to develop enjoyment for reading and develop vocabulary.

Shared Reading:
Jack and the Baked Beanstalk

SPaG

Use of contractions, different sentence types, story structures, sentence starters, plurals, spelling words accurately with different suffixes and using apostrophes to show possession. Use of conjunctions and possessive apostrophes.

Maths

The next block is **Multiplication and division:**

- Make equal groups - sharing
- Make equal groups - grouping
- Divide by 2
