

YEAR 5

Curriculum map - Spring Term 2

WHAT WE ARE LEARNING:

Reading: Beetle Boy by MG Leonard

Writing: A suspense narrative based on the book "Thornhill" by Pam Smy

Maths: Area and perimeter of compound shapes
Negative numbers

Science: Living things and their habitats

Geography: Biomes. Discovering different biomes around the world, understanding how the flora and Fauna survive there.

French: Les vêtements - clothes

PSHE: Heathy Me - discussing the affects of food, substances and exercise affect the body.

RE: The Empty Cross (Symbols) - Resurrection

DT: Cam toys - Understanding how different cam shapes results in different movements and using this knowledge to make a fair ground ride.

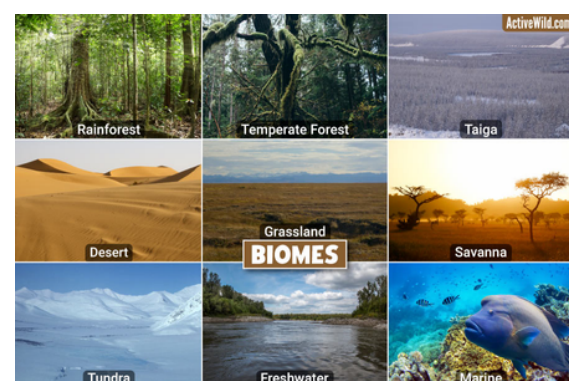

PE: RealPE unit 4 and Tennis

Music: Singing

We are very excited to be going to **Paulton's Park** with the children to support their DT learning for this term. Unfortunately, if we do not have enough payments the trip will have to be cancelled.

UPCOMING EVENTS

Friday 21st March -
Paulton's Park

HOME LEARNING SUGGESTIONS

Create a 3D model of a biome (shoebox, lego etc). Make sure to include the correct geographical features for your chosen biome.

Eco-Hotel Design – Design a wildlife-friendly hotel for a chosen animal, explaining how it meets their needs (e.g., shelter, food sources).

Food Chain Poster – Illustrate a food chain from a specific habitat, explaining the role of each organism.

Camouflage Experiment – Hide different colored paper "moths" outside and check which ones are easiest to find, linking to predator-prey relationships.

REMINDERS:

- Our PE days are **every other Wednesday and every Thursday**. (Our first Wednesday will be 26th February) Please ensure your child has a PE kit in school on these days.
- Homework is given out every Wednesday and should be returned the following Monday.
- Please encourage your child to read for 20 minutes a day. Remember to use Accelerated Reader to quiz the books they have read.
- Speed recall of times tables is incredibly important to help your child to succeed in maths. Please encourage them to use TT Rockstars every week.
